

## Future market Middle East and North Africa Premiere for wire and Tube Middle East Africa

In two months' time, the four newcomers wire Middle East Africa, Tube Middle East Africa, GIFA Middle East Africa and METEC Middle East Africa will celebrate their trade fair premiere at the Egypt International Exhibition Center in Cairo/Egypt.

From 2 to 4 September 2023, technological highlights from the individual trade fair sectors will be presented as part of the established Egyptian trade fair METAL & STEEL EGYPT.

AGEX (Arabian German Exhibitions & Publishing Ltd) has already been organising the successful METAL & STEEL EGYPT since 2010, which offers a comprehensive range of machinery, equipment and products from the steel and metal industry for the Middle East and North Africa.

For the upcoming fairs 55 exhibitors from 13 countries have already registered. They will occupy an area of 1,032 square metres.

Registrations for all four events are still possible. Registrations for wire MEA and Tube MEA are accepted by Cem Bagci and Patrick Hayek at [BagciC@messe-duesseldorf.de](mailto:BagciC@messe-duesseldorf.de) and [HayekP@messe-duesseldorf.de](mailto:HayekP@messe-duesseldorf.de).

For GIFA MEA and METEC MEA, Sarah Möller at [MoellerS@messe-duesseldorf.de](mailto:MoellerS@messe-duesseldorf.de) is looking forward to your registration.

"With Egypt, the Middle East and North Africa, we offer many of our customers new, promising regions. Investing here can be a decisive step towards sustainability for a company", add Daniel
